THE SECRETARY OF THE TREASURY WASHINGTON, D. C. 20220

March 22, 1983

Dear Harry:

Tim McNamar tells me that you and your staff put forth the "extra effort" to prepare the paper so that the Quadriad breakfast group could review it over the weekend.

I wanted you to know that other members of the group--George Shultz, Mac Baldrige, David Stockman, Ed Harper, Marty Feldstein, and I appreciate your efforts. Our discussions were enhanced greatly by the quality and timeliness of your input.

With best wishes.

Sincerely,

Donald T. Regan
